why advertise on our sites?

Over thirty eight million people now have access to the internet - equivalent to 62.6 %* of the entire UK population enabling people to access local information more easily, far quicker and with much greater sophistication than ever before. The Newsquest portfolio of local websites offers an exciting opportunity to reach a new or wider audience ensuring the broadest possible platform for communicating information about your business. Online advertising is a cost-effective medium and any company regardless of size can make an immediate impact on a site that is considered trustworthy and relevant and extensively promoted through our long established newspaper titles across Hertfordshire and Middlesex.
