STATEMENT UNDER SECTION 32(7) LONDON LOCAL AUTHORITIES ACT 1994

The street trading charges are calculated so that the estimated income for the year balances the Councils estimated cost for administration.

The actual charges which may be made are limited by the London Local Authorities Act Part III Section 32. This enables the authority to recover reasonable costs in aggregation taking one year with another. Whilst the responsibility for refuse collection rests with the trader, where a trader fails to make proper arrangements for the collection/disposal of trade waste, we will undertake the work in their default.

Any representations relating to the above must be made in writing to the Council and must be submitted no later than 28 days from the date of publication of this notice.

All correspondence should be sent to: Enforcement Services, Techno Park Ashley Road, Tottenham N17 9LN.
ROBIN PAYNE, Assistant Director
